

Contact Us:

If you have any questions do get in contact.

We are readily available at barncroft.wallpaper@gmail.com and will get back to you as soon as possible.

We know that many people prefer to talk to us about the wallpapers. It is very hard to appreciate colours, textures and quality on a website so we are quite happy to discuss your requirements. We believe it is important that you receive appropriate samples to compare which fit your colour scheme. So do give us a ring on 0797 176 3011.
